### Concept

#### Family-friendly Italian Restaurant

Peperoni Pizzeria started out in 2004 in a leafy enclave at Greenwood, welcoming friends and families with comforting Italian classics and a warm atmosphere.

The vibrant energy of Peperoni's staff and loyal followers has also turned it into more than just a restaurant. It has evolved into a much-loved destination driven by its 'Appetite for Life' philosophy, a place with a mission to bring people together, bind relationships, and savour life in all its delightful flavours.

### Cuisine

Peperoni Pizzeria is an Italian restaurant serving rustic Italian cuisine such as wood-fired thin crust pizzas and pastas. Each outlet has an in-house bar, serving a stellar collection of wines, spirits and imported beers - great to liven up any party. There is also no service charge and Peperoni Pizzeria absorbs GST.
