<b>Concept</b>	<b>Japanese Fine Dining</b> In 2003, Aoki Restaurant was established as a joint venture between Owner Chef Kunio Aoki and the Les Amis Group.  This 36-seater restaurant shares the Les Amis philosophy of offering the ultimate experience in fine-dining, but in Japanese haute cuisine. The restaurant interior by Japanese interior architect Ikebuchi Koichiro embodies the essence of Zen minimalism.
<b>Cuisine</b>	Owner Chef Kunio Aoki presides over the sushi bar and kitchen. His culinary style is traditional, yet with modern undertones that keep his creations – from sushi and sashimi– refreshingly contemporary. Unstinting in his demands to serve only the best produce sourced directly from Tsukiji Market 4 times a week, and other artisanal suppliers from all over Japan, he has garnered a loyal following over the years.
