

FACT SHEET

Concept	Local Heritage Cuisine Embedded within the brand are all things 'Lemak' – a word often used to describe the creaminess, richness and fattiness derived from coconut milk. An agent that binds all other flavours together in many of our local cuisines. In a similar vein, Lemak Boys aims to be that fuse and catalyst to bring people together from different walks of life to develop a common love for heritage-inspired dishes that are authentic and tasty.
Cuisine	A variety of fuss-free and comforting local heritage dishes made with time-honoured recipes and ingredients.
