

THANK YOU HEALTHCARE WORKERS

Together, we are facing a truly unprecedented situation. The coronavirus COVID-19 global pandemic has affected every aspect of our lives, from how we dine, how we socialise, how we work to how we conduct our daily lives.

Our hearts go out to anyone who's been impacted by the virus, either directly or indirectly. We are truly inspired by the selfless healthcare workers across the world and nationwide who are on the front lines working tirelessly to care for people who have been ill and affected by the virus.

The Les Amis Group is thankful for all the support we have gotten from our staff, customers, landlords, partners and government during this challenging times. The Les Amis Group started among friends and continues to be driven by people who are chosen because of their shared passion for excellence in all that we do. We help to bring everyone who comes through our doors closer — our co-workers, customers, friends, families and community, by serving them as friends.

We would like to take this opportunity to give back, to show our support to our community and to thank all our healthcare workers for their strength and hard work. For the whole month of August the Les Amis Group will be offering a **25% off** (16 out of our 21 concepts, excluding Les Amis, Aoki, Shabu Shabu gen, Kausmo and COMNAM) to all Home Nursing Foundation(HNF), National Health Group(NHG), National University Health System(NUHS) and Singhealth front line and public healthcare workers. We hope this will help to lift spirits and to foster a sense of friendship. Should you have any queries, please feel free to reach out to our group head of marketing and communications, Ms Michele Chang at michelechang@lesamis.com.sg.

Bon appetit and thank you for keeping us safe

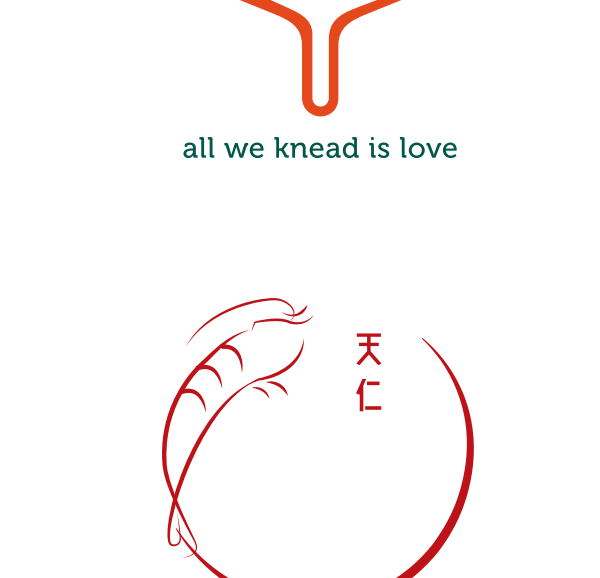

DESMOND LIM
Chairman, Les Amis Group
