

Peperoni Pizzeria's 10th Birthday Treat

Grab your friends and enjoy 50% off the total bill

Peperoni Pizzeria – yes that restaurant with the ginormous pizzas you see friends posing with on Instagram in a bug-eyed expression, has turned 10. In celebration, they are giving parties of 10 a reason to dine together.

Established in 2004, the subsidiary of the Les Amis Group sprouted in the quaint nook of Greenwood Avenue with the promise to deliver a quality Italian experience each and every time with no GST and service charge. They have since swelled to 5 outlets in Singapore and their first joint-venture overseas outlet in Yangon, Myanmar, opened last May. Franchise plans are in the pipeline for Manila, the Philippines, next.

Famed for the iconic XXL 21-inch pizzas that they hold a yearly “XXL Challenge” eating competition for, Peperoni is home to a heavenly line of Italian dishes at affordable prices. In line with their slogan “All We Knead Is Love”, serving portions are generous to encourage sharing with loved ones. Not a pizza person? Try their line of signature pastas including their best-selling Aglio Olio and Vongole.

Nominated as top 3 “Best Western Restaurant” for consecutive years by AsiaOne’s People Choice Award, this warm family-friendly joint has been an ideal choice for innumerable birthday celebrations. They also serve a stellar collection of imported beers, wines and spirits at their in-house bar to liven up any party.

In return, they are now giving the first party of 10 at each outlet 50% off the total bill from 2 to 15 June – just grab your friends, ring up the outlet and quote “PP 10th Anniversary”.
