A HALLOWEEN CELEBRATION AT PEPERONI PIZZERIA
NO TRICKS HERE! ALL TREATS

SINGAPORE, October 2019 — Fans of all hallows eve, crackling wood-fired thin crust pizzas, and ghostly tales can look forward for something spooktacular as Peperoni Pizzeria introduces two devilish Halloween specials from 14 October to 31 October 2019. Look out for these treats which are sure to delight both children and adults!

EAT, DRINK AND BE SCARY!

Peperoni Haunted Pizza

Taking the centre stage this Halloween season is the **Peperoni Haunted Pizza** in three sizes (M, S\$19 | L, \$24 | XXL, \$55). Presenting flavours inspired by Halloween tradition, pumpkin purée is used as the base and topped with mozzarella, butternut, pepperoni, black olives, and honey ham. This combination balances the sweetness of the velvety pumpkin purée with the saltiness of the honey ham, cheese and pepperoni.

For those who are more inclined toward traditional pizza options such as Prosciutto Di Parma (parma ham, rocket salad, shaved parmesan) and Diavola (pepperoni, red

chilli), these flavours are all available under the Classico and Speciale pizza section. Not a pizza person? Try Peperoni Pizzeria's line of signature pastas including their best-selling Aglio Olio and Vongole. Witch-ever you prefer, Peperoni Pizzeria's got it.

Broken Glass Tortino

For desserts, guests can indulge in the **Broken Glass Tortino** (\$13) – featuring a fluffy molten chocolate cake served with a scoop of classic vanilla ice-cream. Punctured with broken sugar glass, drizzled with raspberry syrup for a spine-chilling effect.

True to the Halloween spirit, all Peperoni Pizzeria outlets will be bewitched and spooked out with decorations and will be giving out sweet treats for children to take home at the end of their meal. For those who are too afraid to leave the house, **Peperoni Haunted Pizza** is also available on DeliverBOO (did we get you this time?) and can be delivered right to your door step.
