Whimsical pizza peel motifs and cosy banquette seating add to the welcoming atmosphere. At the heart of it all is the brand's iconic "All We Knead is Love" Broadway-style marquee—a glowing reminder of Peperoni's long-standing philosophy of community and connection.

Peperoni Pizzeria has long been cherished for its wood-fired XXL 21" pizzas, thin crusts, and comforting Italian classics. This latest location continues the tradition with a **kid-friendly and pet-welcoming** environment, situated just beside a community lawn and playground, ideal for families to enjoy a relaxed day out.

NOTES TO EDITOR

ABOUT PEPERONI PIZZERIA

Year 2004.

The warmth and comfort of wood-fired pizzas and traditional pasta over chilled drinks with friends and families were an everyday affair at the first Peperoni Pizzeria at Greenwood. Charming, vivacious and full of life, Peperoni Pizzeria Greenwood brought together all food lovers, including many little and big artists who adorned its walls with their expressions of love and creativity.

Peperoni Pizzeria Greenwood inspired its owners, the highly acclaimed Les Amis Group, to spread the love and energy of Peperoni Pizzeria with the opening of new outlets across the sunny island of Singapore.

Peperoni Pizzeria has since evolved into a much-loved destination with its 'Appetite for Life' philosophy.

This philosophy makes Peperoni Pizzeria more than just a restaurant, it is a place that has a mission - to bring people together, to bind relationships, to savour life in all its delightful flavours.
