NOTES TO EDITOR

ABOUT PEPPERONI PIZZERIA

Year 2004.

The warmth and comfort of wood-fired pizzas and traditional pasta over chilled drinks with friends and families were an everyday affair at the first Peperoni Pizzeria at Greenwood. Charming, vivacious and full of life, Peperoni Pizzeria Greenwood brought together all food lovers, including many little and big artists who adorned its walls with their expressions of love and creativity.

Peperoni Pizzeria Greenwood inspired its owners, the highly acclaimed Les Amis Group, to spread the love and energy of Peperoni Pizzeria with the opening of new outlets across the sunny island of Singapore.

Peperoni Pizzeria has since evolved into a much-loved destination with its 'Appetite for Life' philosophy.

This philosophy makes Peperoni Pizzeria more than just a restaurant, it is a place that has a mission - to bring people together, to bind relationships, to savour life in all its delightful flavours.

Share moments of fun, energy and inspiration over hot pizzas and cool conversations!
